Peer Learning

Group exercises and collaborative feedback

WEEK 1

Career Management & Personal Branding

Building Your Professional Foundation

Understanding Career Management

Key Topics:

- Career vs. Job: Understanding the difference
- The modern career landscape in 2026
- Self-assessment: Skills, values, and goals
- Creating your career roadmap
- Common career management mistakes

WORKSHOP

Personal SWOT Analysis

Identify your strengths, weaknesses, opportunities, and threats in your current career path.

Takeaway: Complete your personal career audit worksheet

Building Your Personal Brand

What is Personal Branding?

- Your professional reputation and unique value proposition
- Authenticity vs. marketing yourself
- Identifying your brand pillars and differentiators
- Visual and verbal identity consistency
- Online and offline brand alignment

CASE STUDY

From Invisible to Influential

How a mid-career professional repositioned from 'general marketer' to 'B2B SaaS growth specialist' and tripled interview requests.

Takeaway: Draft your 3-pillar personal brand statement

LinkedIn Profile Foundation

Profile Anatomy:

- Professional photo and banner best practices
- Headline optimization: Beyond job titles
- About section: Storytelling vs. listing
- Experience: Achievement-focused descriptions
- Skills and endorsements strategy

WORKSHOP

LinkedIn Profile Audit

Analyze your current profile against best practices. Identify 5 immediate improvements you can make today.

Takeaway: Update your LinkedIn headline and photo within 48 hours

Crafting Your Professional Story

The Power of Narrative:

- Why stories stick: Psychology of memorable careers
- Your career arc: Challenge, transformation, impact
- Connecting the dots: Making career pivots coherent
- The 90-second elevator pitch formula
- Adapting your story for different audiences

WORKSHOP

Story Development Exercise

Write and practice your professional story. Pair up for peer feedback on clarity, authenticity, and impact.

Takeaway: Record yourself delivering your elevator pitch and refine

Digital Footprint Management

Controlling Your Online Presence:

- Google yourself: What do employers see?
- Platform strategy: LinkedIn, Twitter, portfolio sites
- Content cleanup: What to delete, archive, or amplify
- Privacy settings across platforms
- Building professional visibility intentionally

WORKSHOP

Digital Audit Checklist

Complete a comprehensive audit of your digital presence. Create an action plan for improvements.

Takeaway: Clean up first 3 pages of Google search results for your name

WEEK 2

CV Writing & Optimization

Crafting Resumes That Get Noticed

CV Fundamentals & ATS Systems

Modern CV Essentials:

- How Applicant Tracking Systems work
- ATS-friendly formatting and keyword optimization
- Essential vs. optional CV sections in 2026
- Length guidelines: When one page isn't enough
- Common formatting mistakes that kill applications

CASE STUDY

Before & After

A software engineer's CV was rejected by 87% of ATS systems. After optimization, application success rate jumped to 64%.

Takeaway: Test your current CV through 3 free ATS scanners

Achievement-Focused Writing

From Duties to Impact:

- The CAR method: Context, Action, Result
- Quantifying your achievements with metrics
- Power verbs that demonstrate leadership
- Avoiding weak passive language
- Tailoring achievements to target roles

WORKSHOP

Bullet Point Transformation

Rewrite 5 bullet points from task-based to achievement-based. Calculate and add measurable impact.

Takeaway: Rewrite entire work experience section using CAR method

Tailoring for Target Roles

Strategic Customization:

- Analyzing job descriptions for hidden requirements
- Keyword mapping: Job posting to your CV
- Creating master CV vs. targeted versions
- Industry-specific CV conventions
- How much customization is enough?

WORKSHOP

Job Description Analysis

Choose 2 target job postings. Extract key skills and requirements. Map your experience to each.

Takeaway: Create 2 tailored CV versions for different role types

Professional Summary & Skills

Making the Top Count:

- Professional summary: 3-4 sentence impact formula
- When to use objective vs. summary
- Skills section strategies: Technical vs. soft skills
- Certifications and credentials placement
- Portfolio links and online presence integration

EXAMPLE

Senior Marketing Manager

Results-driven marketing leader with 8+ years driving B2B growth. Increased qualified leads 340% through data-driven campaigns. Expert in marketing automation and team development.

Takeaway: Write 3 versions of professional summary for peer review

CV Review & Refinement

Final Polish:

- Grammar, spelling, and consistency checks
- Design and visual hierarchy principles
- PDF optimization and file naming
- Cover letter integration strategy
- Version control and tracking system

WORKSHOP

Peer Review Session

Exchange CVs with partners. Provide structured feedback using provided rubric. Identify gaps and strengths.

Takeaway: Finalize your master CV and 2 role-specific versions

WEEK 3

LinkedIn Marketing & Networking

Building Your Professional Network

Content Strategy for LinkedIn

Building Thought Leadership:

- The LinkedIn algorithm in 2026: What works now
- Content pillars: Expertise, personality, and value
- Post types: Text, articles, polls, video, and documents
- Optimal posting frequency and timing
- Authenticity vs. polish: Finding your voice

WORKSHOP

30-Day Content Calendar

Identify your 3 content pillars. Draft 10 post ideas mapped to your career goals and expertise.

Takeaway: Publish your first value-driven LinkedIn post this week

Strategic Networking on LinkedIn

Building Meaningful Connections:

- Quality over quantity: Strategic connection building
- Connection request best practices and templates
- Engaging authentically: Comments, shares, reactions
- LinkedIn messages that get responses
- Following up without being annoying

CASE STUDY

The Power of Engagement

How spending 15 minutes daily engaging with target connections led to 3 job interviews and a dream role offer.

Takeaway: Send 10 personalized connection requests to target professionals

LinkedIn SEO & Discoverability

Getting Found by Recruiters:

- How LinkedIn search works: SSI score explained
- Keyword optimization across all profile sections
- Featured section: Portfolio showcase strategy
- Open to work settings: Pros and cons
- Getting recommendations that matter

WORKSHOP

SEO Optimization Audit

Check your LinkedIn SSI score. Identify 10 keywords recruiters use for your target roles. Update profile accordingly.

Takeaway: Optimize all profile sections with target keywords

Engaging with Companies & Recruiters

Direct Outreach Strategies:

- Following and engaging with target companies
- Identifying and reaching out to decision makers
- Crafting personalized messages to recruiters
- Informational interviews: How to ask and what to ask
- Building relationships before you need them

TEMPLATE

Recruiter Outreach Message

Hi [Name], I noticed you recruit for [specialty]. I'm a [your role] with experience in [relevant area]. I'd value your perspective on [specific topic]. 15 minutes?

Takeaway: Reach out to 5 recruiters in your target industry

LinkedIn Analytics & Growth

Measuring Your Impact:

- Understanding LinkedIn analytics dashboard
- Key metrics: Profile views, search appearances, engagement
- Content performance tracking and optimization
- A/B testing headlines, posts, and approaches
- Setting and tracking networking goals

WORKSHOP

90-Day LinkedIn Plan

Create your personalized LinkedIn growth strategy with specific metrics and activities. Set weekly goals.

Takeaway: Document your baseline metrics and set 30-day targets

WEEK 4

Interview Mastery & Presentation Skills

Converting Interviews into Offers

Interview Types & Preparation

Understanding the Process:

- Phone screens, video, panel, and case interviews
- What each interview stage is really assessing
- Researching companies and interviewers
- Preparing your interview toolkit and examples
- Technical setup for video interviews

PRO TIP

The 5-5-5 Method

Prepare 5 stories that showcase different skills, 5 questions about the role, and 5 questions about the company. This covers 90% of interviews.

Takeaway: Build your interview toolkit with 5 core achievement stories

Behavioral Interview Mastery

The STAR Method & Beyond:

- STAR technique: Situation, Task, Action, Result
- Common behavioral questions by category
- Handling weakness questions strategically
- Conflict and failure scenarios: What they want to hear
- Tailoring responses to company values

WORKSHOP

Mock Interview Practice

Pair practice with behavioral questions. Give and receive feedback on structure, content, and delivery.

Takeaway: Write STAR responses for top 10 behavioral questions

Handling Difficult Questions

Navigating the Tough Ones:

- Salary expectations: When and how to answer
- Employment gaps and career changes
- Being let go or fired: Honest without oversharing
- Why are you leaving your current role?
- Illegal and inappropriate questions: Your rights

REFRAME

Turn Weakness into Strength

Instead of hiding career gaps, share what you learned or how you grew during that period. Authenticity builds trust.

Takeaway: Prepare responses for your 3 most challenging scenarios

Executive Presence & Body Language

Communication Beyond Words:

- Projecting confidence through posture and presence
- Eye contact, gestures, and facial expressions
- Voice control: Pace, tone, and energy
- Virtual interview presence and camera positioning
- Managing nervousness and interview anxiety

WORKSHOP

Video Review Exercise

Record yourself answering interview questions. Review for body language, filler words, and presence. Get peer feedback.

Takeaway: Practice 1 power pose and 3 breathing exercises before interviews

Asking Questions & Closing Strong

Finishing with Impact:

- Smart questions that demonstrate research and interest
- Questions to avoid asking in first interviews
- Reading the room and interviewer cues
- Closing statements that leave lasting impressions
- Follow-up timing and thank-you note strategies

WORKSHOP

Final Mock Interviews

Full interview simulation from start to finish. Demonstrate everything learned across 4 weeks. Group feedback session.

Takeaway: Prepare 10 questions to ask in your next interview

Your 4-Week Journey

1

Week 1

Built personal brand & professional story

2

Week 2

Created ATS-optimized, achievement-focused CV

3

Week 3

Established LinkedIn presence & networking strategy

4

Week 4

Mastered interview skills & executive presence

Your Action Plan

Continue your momentum with these priorities:

Daily LinkedIn Activity

15 minutes engaging and posting

Monthly Skills Audit

Identify gaps and plan development

Interview Readiness

Practice stories and stay prepared

Weekly CV Updates

Keep achievements current and relevant

Consistent Networking

5 new connections weekly in target field

Personal Brand Growth

Share insights and build thought leadership
